

DERMATOLOGY

PROCEDURE A (RM 4401 - RM 4800)

PROCEDURE B (RM 3601 - RM 4400)

PROCEDURE C (RM 2801 - RM 3600)

PROCEDURE D (RM 2201 - RM 2800)

PROCEDURE E (RM 1801 - RM 2200)

PROCEDURE F (RM 1501 - RM 1800)

PROCEDURE G (RM 1001 - RM 1500)

PROCEDURE H (RM 751 - RM 1000)

PROCEDURE I (RM 601 - RM 750)

- 1 General dermatosurgery Excision
- 2 General dermatosurgery Malignant skin tumours requiring wide excision
- 3 Cutaneous laser procedures Intense pulsed light (IPL) treatment of whole face

PROCEDURE J (RM 401 - RM 600)

- 4 General dermatosurgery Curettage and cautery – major
- 5 General dermatosurgery Curettage and cautery – more than 20 lesions
- 6 General dermatosurgery Botulinum toxin injection of one cosmetic unit
- 7 General dermatosurgery Excision – cysts, scars, benign tumours (complex)
- 8 General dermatosurgery Electrosurgery – keratoses, warts, angiomas, etc. – more than 20 lesions
- 9 Cutaneous laser procedures Cutaneous laser ablation of skin tumours – 5 to 20 lesions
- 10 Cutaneous laser procedures Pigment laser treatment of skin pigmentation and tattoos – large area (more than 50cm²)
- 11 Cutaneous laser procedures Vascular laser treatment of vascular lesion – large area (more than 50cm²)
- 12 Cutaneous laser procedures Laser-assisted/intense pulsed light (IPL) hair removal – large area (more than 50cm²)
- 13 Cutaneous laser procedures Cutaneous laser ablation of skin tumours – more than 20 lesions
- 14 Cutaneous laser procedures Laser resurfacing of one cosmetic unit – non-ablative
- 15 Other dermatological procedures Chemical peeling of lesion of skin – deep

PROCEDURE K (RM 301 - RM 400)

- 16 General dermatosurgery Microdermabrasion – body
- 17 General dermatosurgery Fillers injection of one cosmetic unit
- 18 General dermatosurgery Cryotherapy – malignant tumours requiring wide areas of treatment
- 19 General dermatosurgery Nail procedures – wedge resection or avulsion of nail including chemical ablation of nail bed
- 20 General dermatosurgery Curettage and cautery – major
- 21 General dermatosurgery Curettage and cautery – 5 to 20 lesions
- 22 Cutaneous laser procedures Pigment laser treatment of skin pigmentation and tattoos – medium sized area (9 to 50 cm²)
- 23 Cutaneous laser procedures Pigment laser treatment of tattoo – eyelids
- 24 Cutaneous laser procedures Vascular laser treatment of vascular lesion – medium sized area (9 to 50 cm²)
- 25 Cutaneous laser procedures Laser-assisted/Intense pulsed light (IPL) hair removal – medium sized area (9 to 50 cm²)
- 26 Cutaneous laser procedures Radiofrequency treatment of face

PROCEDURE L (RM 201 - RM 300)

- 27 Allergy tests Skin sensitivity tests (patch test) (excluding cost of reagents) using more than 26 reagents that is the standard series plus extras
- 28 General dermatosurgery Skin biopsy
- 29 General dermatosurgery Excision – cysts, scars, benign tumours (simple)
- 30 General dermatosurgery Electrosurgery – keratoses, warts, angiomas, etc. – 5 to 20 lesions
- 31 General dermatosurgery Electrolysis of hair per session – both lower limbs
- 32 General dermatosurgery Microdermabrasion – face
- 33 General dermatosurgery Curettage and cautery – simple
- 34 General dermatosurgery Curettage and cautery – more than 20 lesions
- 35 Cutaneous laser procedures Pigment laser treatment of skin pigmentation and tattoos – small area (less than 9 cm²)
- 36 Cutaneous laser procedures Pigment laser treatment of tattoo – eyebrows
- 37 Cutaneous laser procedures Vascular laser treatment of vascular lesion – small area (less than 9 cm²)
- 38 Cutaneous laser procedures Laser-assisted/Intense pulsed light (IPL) hair removal – small area (less than 9 cm²)
- 39 Cutaneous laser procedures Cutaneous laser ablation of skin tumours – less than 5 lesions
- 40 Other dermatology procedures Chemical peeling of lesion of skin – medium
- 41 Other dermatology procedures Chemical peeling of lesion of skin – superficial

PROCEDURE M (RM 121 - RM 200)

- 42 Allergy tests Skin sensitivity tests (patch test) (excluding cost of reagents) using up to 26 reagents that is the standard series

- 43 Allergy tests Skin sensitivity test (intradermal) (excluding cost of reagents) using up to 20 reagents
- 44 Allergy tests Skin sensitivity tests (patch test) (excluding cost of reagents) using supplementary series that is the cost per series
- 45 General dermatosurgery Intralesional steroid injection – more than 20 injections
- 46 General dermatosurgery Cryotherapy – more than 5 lesions
- 47 General dermatosurgery Electrolysis of hair per session – both upper limbs
- 48 General dermatosurgery Curettage and cautery – simple
- 49 General dermatosurgery Curettage and cautery – 5 to 20 lesions
- 50 General dermatosurgery Curettage and cautery – major
- 51 General dermatosurgery Curettage and cautery – less than 5 lesions
- 52 General dermatosurgery Electrosurgery – keratosis, warts, angiomas, etc. – less lesions than 5
- 53 General dermatosurgery Phototherapy – photopatch test
- 54 Other dermatological procedures Chemical cautery of keratosis, warts, angiomas etc. – more than 5 lesions
- 55 Other dermatological procedures Transdermal iontophoresis
- 56 Other dermatological procedures Wet body wrap dressing (for example atopic eczema) – whole body
- 57 Other dermatological procedures Iontophoresis per session (for example for hyperhidrosis) – feet
- 58 Other dermatological procedures Iontophoresis per session (for example for hyperhidrosis) – hand
- 59 Other dermatological procedures Comedone extract per session
- 60 Other dermatological procedures Paring of hyperkeratosis, corns, etc. – milia extraction
- 61 Other dermatological procedures Paring of hyperkeratosis, corns, etc. – day care skin nursing per session

PROCEDURE N (RM 76 - RM 120)

- 62 General dermatosurgery Intralesional steroid injections – less than 5 injections
- 63 General dermatosurgery Intralesional steroid injections – 5 to 20 injections
- 64 General dermatosurgery Cryotherapy – less than 5 lesions
- 65 General dermatosurgery Curettage and cautery – simple
- 66 General dermatosurgery Curettage and cautery – less than 5 lesions
- 67 General dermatosurgery Nail procedures – matrixectomy of nail
- 68 General dermatosurgery Electrolysis of hair per session – face
- 69 General dermatosurgery Phototherapy – psoralen plus ultraviolet A (PUVA) per session – whole body
- 70 General dermatosurgery Phototherapy – phototest – minimal erythema doses (MED)
- 71 General dermatosurgery Phototherapy – phototest – minimum phototoxic dose (MPD)
- 72 General dermatosurgery Phototherapy – phototherapy ultraviolet A1 (UVA1) per session – whole body

- 73 Other dermatological procedures Microscopic examination
- 74 Other dermatological procedures Dark ground immunofluorescent (DGI)
- 75 Other dermatological procedures Slit skin smear examination
- 76 Other dermatological procedures Chemical cautery of keratosis, warts, angiomas etc. – less than 5 lesions

PROCEDURE O (RM 51 - RM 75)

- 77 Phototherapy (Ultra violet light B) per session – whole body
- 78 Phototherapy Psoralen plus ultraviolet A (PUVA) per session – regional
- 79 Phototherapy ultraviolet A1 (UVA1) per session – regional

PROCEDURE P (RM 31 - RM 50)

- 80 General dermatosurgery Nail procedures – simple excision
- 81 Phototherapy Phototherapy ultraviolet B per session – regional
- 82 Other dermatology procedures Microscopic examination – dark ground
- 83 Other dermatology procedures Microscopic examination – skin scrapings, smears etc.
- 84 Other dermatology procedures Wet body wrap dressing for example atopic eczema – regional

PROCEDURE Q (RM 21 - RM 30)

PROCEDURE R (RM 20)
